He married MARY MARTINY READY, daughter of FONY READY and OLLIE ELLINGTON. She was born 17 Jan 1914 in Walker Co., Huntsville, Texas, and died 30 Mar 1974 in Willis, Texas.

Notes for JOHN CALVIN BLAKE:

SSN 449-03-9971

Was Constable for Willis Texas. Served in WWII as a US Navy Seaman.

Memorial at the "Church of God" in Willis. Several Stories surround the death of Constable Blake.

From Floyd Blake:

Volunteered for military service after Pearl Harbor. Only served about two years and received an Honorable discharge because the Navy discovered he was flat footed. After he returned, he became constable. John Calvin had a lot of dealings with a German man who was living out on 1097 toward Montgomery Texas. They were conducting business together and shared a lot of the expenses. Each took turns buying food, etc. Texas.

JC became ill around the last part of 1944. Billy "Babe" Woods owned "Hill Top Tavern" near New Waverly. He and JC were friends and Babe offered to take JC to Houston to seek good care. The only way JC agreed to go was if he saw Dr. Bartell first. Dr. Bartell was stunned at the condition of JC and ordered him to the Hospital in Conroe (Old County Hospital) at once. They operated on him immediately and once in found that JC's insides were in very bad shape. He passed away on the operating table.

It was later determined that the German man JC shared expenses with was a spy. He had a radio tower in the woods at 830 and 1097. He lived about 1/2 a mile off the road. The FBI had been monitoring him for some time. They believed he was sending messages back and forth in the wee hours of the morning via short wave radio. The FBI picked him up about a year after JC died. JC insisted several times that the German man had poisoned

him.

The story is consistent with death certificate of "Toxemia suspected". Did JC discover the intent of the German? Was JC working with the FBI in their investigation?

Married at April Sounds, Montgomery, Texas on the Lake.

Children of VICKIE BLAKE and JOHN HOMMAN are:

- i. NICOLE BLAKE-LEE⁸ HOMMAN, b. 16 Sep 1992, Conroe Texas.

Notes for NICOLE BLAKE-LEE HOMMAN:

Nicole is a true light in my life. She almost never was at all. About mid way through Vickie's pregnancy with Nicole, she started leaking fluid badly. Vickie was grounded to the bed by the doctor for over a MONTH. But being the excellent wife and mother she is, she never complained. And while the rest of the pregnancy was treated with kid gloves, Out came Nicole scheduled via c section.

She is growing up so fast and sometimes I think she is growing away from me, so I try all the time to put more effort into doing things with her. A very very smart child, she started consuming books at a very young age. Now, she can motor through a 300 page book in two days. She is a great student and brings a smile to my face each time I see her. I am trying to instill genealogy in her so she can carry it on for the family. We have taken a few hunting (genealogy) trips together, but right now she seems rather bored with it. I hope that changes.

- ii. JONATHAN RAYMOND HOMMAN, b. 14 Jan 1997, Conroe, Texas.

Notes for JONATHAN RAYMOND HOMMAN:

Jonathan was born a few weeks premature and spent the first 10 days of his life in the Hospital at Conroe Medical Center. He was born at The Woodlands hospital and transferred the day he was born to Conroe. He spent the first week of his life attached to more cords than I can remember (Nor do I wish to - Mom took a picture of him like that and I cannot stand to look at it to this day). I simply could not bear to leave that boy in the hospital all alone. I spent every night and most of the days with him. Vickie was recovering from the C Section and thank goodness for her Mother, she attended her while I looked after Jonathan. He looked so small, yet was so tough in that hospital, I starting calling him tugboat (little and tough!) and it just kind of stuck.

The more this boy grows up, the more he reminds me of ME! He is an rambunctious little snot! Not mean, in fact he has a tender heart which I am glad to see. Just so darn curious about everything in the world! He is a true delight and I think of Grand Dad often due to his name. God has been good to me!
